About Us

Colorado Smokin' Butts Barbecue Sauce Company was developed and created by Donald W. Davis and his son, Craig, both well know local butchers from northwestern Kansas. During the late 1950s and early 1960s, Donald W. Davis began creating a variety of his own sauce and rub recipes for his family and other families in the area and became famous in that part of Kansas. Some years later when his son became a butcher alongside him, Donald passed on his many secret sauce and rub recipes to Craig.

For the last 30+ years, Craig has handcrafted to perfection his father's old secret family recipes to create some very delicious, savory and authentic Davis family style sauces and rubs. With a desire to bring his family's delicious sauce and rub recipes to life, Craig Davis established the ***Colorado Smokin' Butts Barbecue Sauce Company*** on July 4, 2015.
