

Cathedral Ridge is a ministry of the Diocese of Colorado. We are committed to living out the mission of the Church through the ministries of evangelism (proclamation), Christian formation (discipleship), and service to all (servanthood). The missionary work undertaken by the congregations of our diocese is both local and global in scope, and we look to support all those who seek a deeper understanding and relationship with Jesus Christ.

The Center at Cathedral Ridge

...where people come to celebrate being a part of the family of God.

The Center at Cathedral Ridge hosts individual guests, families and conferences year round. Groups as large as 150 can be accommodated.
